COVID-19 Library Update

As of now, the library is closed to the public and I am no longer able to do curbside pickup. I have been at the library periodically and have been checking my messages often. I am also a phone call away if you need assistance in downloading a book or movie. Check out our website and click on e-resources - there are some fantastic resources there. If you require a library card, please give me a call and I can do that for you!

TAWATINAW VALLEY SKI HILL Trail Update:

We know that spring is in the air and people are looking forward to getting out and walking. However, our cross country trails are still open and being used by skiers.

For everyone's safety, other activities such as walking, are not permitted at this time. Cross Country skiers are asked to stay on the upper trail area and not go down the hill into the lower chalet area as per the posted signs.

Watch for updates as to when the trails open for spring/summer usage.
