COVID-19 Library Update

I hope everyone is staying healthy and trying to stay as normal as possible during this crazy time.

Unfortunately, at this time the library remains closed to the public. However, I am able to continue with curbside pickup. At this time only our collection will be available; all interlibrary loans are still on hold. Call, text, e-mail or facebook message me to let me know what book you are interested in reading and I will let you know when it is available for pickup. Once you arrive at the library, I will bring it to your vehicle.

Remember, our e-resources are always available. Visit our website and click on “E-RESOURCES” to see what is available. E-books and Audio-books are also available 24/7. If you are interested in watching movies, Hoopla has extended their availability as well. Reach out if you need assistance with anything.

With the governments announcement on Thursday, April. 30, we have been notified that we would be considered as phase two. I will try to keep you all posted as more information becomes available. Until then, please continue to be safe.
